**Portfolio:** quan-porfolio2026.vercel.app

## SUMMARY

Junior Full Stack Developer with 1.5 years of web and mobile development experience. Independently built a live Sales Leads CRM used by a sales team. Experienced with React, TypeScript, Supabase/PostgreSQL, REST APIs and turning UI/UX designs into working interfaces.

## WORK EXPERIENCE

**InnovatePro Sdn Bhd | Junior Full Stack Developer** Apr 2026 – Present

- Owned the development and launch of a Sales Leads CRM now used by the sales team to manage leads, assignments and follow-ups.
- Built Google Sheets syncing, role-based access, task tracking and reporting using React, TypeScript, Supabase and PostgreSQL.
- Supported CRM Client Portal UI/UX demos and maintained WordPress sites, landing pages and responsive email templates.

**M Focus Technology Sdn. Bhd. | Frontend Developer** May 2025 – Apr 2026

- Built web and Android app features with React, React Native and Vue 3, including new screens and REST API integration.
- Worked with backend developers on debugging, testing and pre-release improvements.

**Freelance | Web Developer & Designer (Project-Based)** Jun 2024 – Present

- Revamped and maintained Wix websites for clients, including responsive layouts and Stripe payment setup and testing.
- Collaborated with a Web3 team on frontend UI/UX implementation and interactive website features.

**AZ Lab Sdn. Bhd. | Web Design Intern** Jul 2023 – Oct 2023

- Redesigned and rebuilt the company website using Wix, then supported post-launch updates.

## KEY PROJECTS

**Sales Leads CRM | Independent Full Stack Development** **2026**

- Brought spreadsheet-sourced leads into one workflow with automatic syncing, duplicate checks and country-based assignments.
- Handled database design, authentication, testing and post-launch support, building practical end-to-end delivery experience.

**CRM Client Portal | UI/UX Demo Collaboration** 2026

- Worked with the team to turn UI/UX design images into responsive HTML/CSS demos with interactive features.

## EDUCATION

**Diploma in Information Technology** 2022 – 2025
Multimedia University (MMU), Cyberjaya
